The Southern Regional Health Authority (SRHA), a Statutory Body under the Ministry of Health, responsible for the management and operation of Public Health Services within the Parishes of Clarendon, Manchester and St. Elizabeth, invites applications from suitably qualified persons for the following position:

Regional Dental Director (HPC/DS 5) Regional Office

JOB SUMMARY

Reporting to the Regional Technical Director and the Chief Dental Officer, the Regional Dental Director is responsible for advising the Regional Technical Director and the Regional Director on all issues related to the Dental Profession and the practice of Dentistry. This position holder is responsible for the implementation of Oral Health Policies in the Region, the delivery of oral health services as well as related Dental Public Health issues, monitoring the compliance of the dental aspects of the Services Level Agreement (SLA) and reporting same to the office of the Regional Technical Director and the Chief Dental Officer. The office is also responsible for the monitoring of the community and school-based Dental Services.

Qualification and Experience:

- Graduate from an accredited School of Dentistry
- Dental Public Health and/or Dental related specialties
- Five (5) years of progressively responsible post graduate experience in management
- Peer Approval

Specific Knowledge Required:

- Sound knowledge of current and new trends and development in the field of dentistry.
- In-depth knowledge of concepts, theories and techniques related to oral health.
- Knowledge of the Dental Act and Regulations.
- Sound knowledge of administering projects and research programmes.
- Knowledge of the National Health Policy, in particular Oral Health.
- Knowledge of management principles and practices.

Some Key Responsibilities include:

1. Providing technical oral health advice to the Regional Technical Director, Regional Director and the Board.
2. Performing critical decision making process that can impact the entire Oral Health Services in the Region.
3. Responsible for Implementing and Monitoring compliance, for all categories of Oral Health Professionals within the Region, with the Legislative and Regulatory framework of the Dental Governance System. The RDD is also responsible for communicating and articulating the various policies and processes impacting the practice of Dentistry in the Region.
4. Providing frequent updates on the 'Gaps in the Oral Health Services' delivery effort and to report on the findings of clinical audits.
5. Responsible for the implementation of Oral Health Policies at the Regional Level.

Applications along with resume should be sent **no later than July 09, 2018** to:

Director, Human Resource Management & Industrial Relations
