

SOUTHERN REGIONAL HEALTH AUTHORITY

Compassion | Accountability | Respect | Efficiency

The Southern Regional Health Authority (SRHA), a Statutory Body under the Ministry of Health responsible for the management and operation of Public Health Services within the Parishes of Clarendon, Manchester and St. Elizabeth, invites applications from suitably qualified persons for the following position:

SENIOR CIVIL WORKS TECHNICIAN (SOG/ST5)

REGIONAL OFFICE

Reporting to the Director, Operations & Maintenance, the incumbent will be responsible for maintaining building structures and physical facilities in the region.

Qualifications and Experience

- University of Technology Diploma/Certificate in Civil Engineering or Equivalent

PLUS

- Minimum of three (3) years experience in the construction and maintenance of buildings

Specific Knowledge Required

- Knowledge of Jamaica's Building and Electrical codes
- Working knowledge of the Ministry of Health's Maintenance Standards and Procedures
- Knowledge of Plumbing and Electrical systems
- Knowledge of Land Surveying Principles
- Good Project Management Skills
- Strong engineering background
- Computer literacy

Key responsibilities will include:

- Compiling data and the monitoring of performance of buildings and physical facilities within the region.
- Reading, understanding and preparing schematic drawings to facilitate maintenance work of buildings and facilities.
- Preparing scope of work and costing for building construction and repairs.
- Supervising maintenance work on building and facilities.
- Conducting audits of maintenance systems to determine if maintenance procedures to building and facilities are being adhered to and standards met.
- Carrying out assessment of buildings, drainage, plumbing, and sewage disposal systems as to condition, performance and the application of acceptable maintenance standard.

Applications along with resume should be sent no later than December 27, 2018 to:
