FOR IMMEDIATE RELEASE:**

Outpatient Clinics Relocated to Mandeville Regional Hospital

The outpatient clinics at the Mandeville Regional Hospital in Manchester which were moved to the Mandeville Seventh-day Adventist Church hall will be relocated to the hospital.

The clinics will be relocated during this week, February 14 to 17 and operations will begin on the hospital compound on Monday, February 21, 2022.

The clinics were moved in September 2021 to create additional space for the hospital as it managed the impact of the COVID-19 Pandemic surge on its services and staff.

The hospital management would like to publicly thank the Mandeville Seventh-day Adventist Church for its partnership and support and all clients and staff for their understanding during this period.

The team encourages persons to continue to adhere to the COVID-19 protocols of handwashing, physical distancing, mask wearing and vaccination.
