PRESS RELEASE

**November 19, 2015
FOR IMMEDIATE RELEASE:**

Manchester Health Department Supports NCU Health Expo

The Northern Caribbean University (NCU) Health and Wellness and Church Ministries Departments in partnership with the Manchester Health Department combined their efforts to bring to the Mandeville community a Grand Health Expo on November 18, 2015, at the Cecil Charlton Park in Mandeville.

Despite a few blotches of rain, people came out in droves and benefitted from free vision screening and dental care, free physicians' consultation, instruction on Natural Remedies, free HIV and Syphilis testing by the Manchester Health Department, lots of books and literature for distribution.

The physical, mental and spiritual areas of health were emphasized using the eight (8) principles of good health: nutrition, exercise, water, sunlight, temperance, air, rest and trust in God.
